

Coopers Meadow - Marlborough

May 2010

The cows have returned to Cooper's Meadow. A fine team of local 'lookers' will be caring for them alongside the farmer. The three Belted Galloways, called Tom, Dick and Harry will be in the meadow for around a month, and will return in the Autumn.

If you have any concerns about the cattle's welfare call 07850 859824.
